Territorial Acknowledgement

As we gather together, we acknowledge that the land on which the church was built had been the traditional home of the people of the Huron-Wendat, Haudenosaunee (Iroquois) and more recently the Mississauga of the Credit River. They worshipped in their own way and language for many years in this neighbourhood. We remember, and appreciate, this connection as we worship in the Welsh language.

TEMC WELSH COMMUNITY COMMITTEE

MONTHLY MEETINGS/HELD ONLINE

We have established a Welsh Community Committee within the TEMC governance framework. The purpose of this committee is to deal with financial-related matters, manage the remaining transition items, promote our services and the work we do at TEMC and plan events of interest to the Immediate community and broader Welsh diaspora.

We have a few people who were previously on Dewi Sant's Official Board who have graciously volunteered to be part of this new committee. We are thrilled to have recently welcomed a couple of new members. We welcome anyone with an interest in serving on this committee to contact Sheryl, Anna or Betty to discuss further.
